

Product Data Sheet

SPORTS MARKING PAINT – ULTRA PREMIUM

DESCRIPTION

- A specially formulated water-based acrylic coating for use in line marking on grass and turf.

BENEFITS

- Extra bright white.
- Lasts longer than standard sports marking paints.
- Does not damage grass.
- Non-toxic and environmentally safe.

RECOMMENDED USE

- Marking of grass surface sports areas.

BASIC DATA

- **APPLICATION:** By spray or wheel application
- **THINNER:** Water – may be thinned 1 part Sports Line Marking Paint – Ultra Premium to 2 parts water for spray application. A 1 to 1 mix is recommended for wheel application. Do not over-thin if “brightness” is to be retained.
- **CLEAN UP:** Water
- **COLOUR RANGE:** White. Also available in select primary colours

SURFACE PREPARATION

- Grass should be dry prior to application.

INSTRUCTIONS FOR USE

- Do not apply if temperature is below 10°C or above 35°C or if rain is anticipated within 12 hours.
- Stir well before use.
- **Spray application** – ensure diluted product is agitated before filling spray reservoir.
- **Wheel application** – limit dilution for use with these machines to ensure best results.

SAFETY

- Ensure adequate ventilation during use.
- Avoid contact with skin and eyes.
- Do not pour left over paint down any drains.
- **FIRST AID:** If swallowed, induce vomiting, drink plenty of water and seek immediate medical assistance.
If in eyes, rinse with lots of water for at least 15 minutes – seek medical assistance.
If skin contact occurs, wash with warm soapy water – contact a doctor of irritation persists.
